

On October 31, 1517, Martin Luther nailed his 95 Theses to the cathedral door in Wittenberg, sparking the Protestant Reformation. Join the AU community for a nine-week reflection on the ways in which the Protestant Reformation has—for good or ill—shaped our world.

Co-Sponsored by the College of Arts & Sciences, the Kogod School of Business, the School of Communication, the School of International Service, the School of Professional and Extended Studies, the School of Public Affairs, the University Library, the Washington College of Law, the Wesley Seminary Dadian Gallery, and the Kay Spiritual Life Center.
