BWC Schedule for Total MINIMUM Compensation Requirements

<i>No pastor's salary can be decreased as a result of this chart, as long as they retain their current appointment</i>	
APPOINTMENT	MEDICAL AND PENSION MANDATORY FULL-TIME
Minimum Attendance Targets ⁴	100
Base Salary	\$44,012.00
Housing Allowance	\$20,263.00
Pension	\$11,569.50
Medical	\$10,320.00
Reimbursement	\$4,100.00
TOTAL CLERGY SUPPORT	\$90,264.50

- 1 Full-time salary minimum is based on the Equitable Compensation Commission's base salary plus service increments. A chart of the appropriate minimum salary for the current year can be found on the conference website.
- 2 See Eligibility Chart on the conference website.
- 3 See BWC Council on Finance and Administration/Equitable Compensation Criteria on the conference website
- 4 Worship attendance minimums are approximate. They must be weighed against the financial status of the congregation and whether the minimum number is able to meet the financial needs of the congregation. Note that there are congregations with 100 in attendance that cannot support a full-time package.

Other Considerations

- All full-time clergy appointed to a full-time charge shall be provided either a parsonage or a housing allowance
- When a parsonage is provided, the General Board of Pension & Health Benefits requires that it be valued at 25% of base salary for pension benefit computation purposes.
- A pastor living in a parsonage may have a Housing Exclusion; a pastor living in his/her own home may take advantage of a Housing Exclusion in addition to a Housing Allowance. This can be accomplished by passing a resolution designating an amount greater than the housing allowance listed on the compensation package.

PENSION BENEFITS

Clergy Retirement Security Program (CRSP)

CRSP is a retirement plan administered by Wespath Benefits and Investments. It is a “church plan” in accordance with the Internal Revenue Code. CRSP is a benefit that is paid by the church for the clergy and is determined based on plan compensation. **Plan compensation is cash salary plus housing allowance or cash salary plus 25% of cash salary for pastors living in a parsonage. For the purpose of calculating the pension benefit premium - 25% of cash salary is the value of parsonage.**

CRSP is divided into two components, CRSP-DB and CRSP-DC.

- **Defined Benefit (DB)** provides a monthly retirement benefit that is calculated using the following formula = $1.25\% \times \text{DAC}$ at retirement, multiply by years of credited service (reduced for less than full time appointment) divide by 12 from 1/1/07 through 12/31/13.
- **Defined Benefit (DB)** provides a monthly retirement benefit that is calculated using the following formula = $1.00\% \times \text{DAC}$ at retirement, multiply by years of credited service (reduced for less than full time appointment) divide by 12 after 12/31/13.
- **Defined Contribution (DC)** provides convenient distribution options at retirement. This includes a lump-sum distribution, partial distributions or a series of regular payments called “cash installment.”

Eligibility:

- See Eligibility Chart on pages 6 - 8
- See CRSP At-A-Glance on pages 13 - 14

Disability Benefits

The disability benefit equals 70% of plan compensation for the plan year in which the first payment is effective, with plan compensation capped at 200% of the DAC. The disability benefit is reduced by any disability benefits payable under the Social Security Act.⁷

Participants receiving CPP disability benefits may also be eligible to receive retirement plan contributions to either CRSP or the United Methodist Personal Investment Plan (UMPIP)⁸. If eligible for CRSP, CPP will contribute a nonmatching contribution of up to 2% of plan compensation (as defined by CRSP), in monthly installments, to the participant's CRSP defined contribution account. In addition, participants eligible for CRSP may be eligible for a matching contribution based on participant contributions to UMPIP, up to 1% of plan compensation.

If not eligible for CRSP but eligible for UMPIP, CPP may contribute up to 3% compensation (as defined by UMPIP) to the participant's UMPIP account based on the UMPIP plan sponsor's adoption agreement elections.

⁷ Other reductions may apply in accordance with the terms of the SPD, as determined by Wespath Benefits and Investments (Wespath).

⁸ Please see the CRSP SPD (www.wespath.org/assets/1/7/3480.pdf) and UMPIP SPD (www.wespath.org/assets/1/7/3502.pdf) for additional information on eligibility as a disabled participant.
