

Annual Conference is almost here. This year we've partnered with Rise Against Hunger for our Mission Focus. [Rise Against Hunger](#) is an international relief organization whose mission is to end world hunger by the year 2030. We plan to package **120,000 meals** on-site at Annual Conference. **But we need your help** to make this year's mission focus a success. Your donation really counts!

\$10 = 30 meals	\$25 = 75 meals
\$75 = 220 meals	\$150 = 440 meals

- **Donate and/or sign up to help package meals** in a 30-minute time slot during lunch or dinner on **Thursday, May 30** (*registration for Annual Conference is not required to donate or to volunteer to package meals*), by going to the following webpage: <https://www.bwcumc.org/events/annual-conference/rise-against-hunger//> OR [www.bwcumc.org/RAH](http://www.bwcumc.org/RAH)
