Bible Study Evaluation Full Member Examination
Baltimore Washington Conference Board of Ordained Ministry

Evaluation Criteria

The total score for the Bible Study is 100 points. A score of 70 or higher is passing.

> *I.* Content *This portion of the evaluation is worth 50 points. The score reflects the candidates scholarship and preparation*

A. Exegesis/Research

___/15 points 1. The candidate gives evidence of a thorough knowledge of the Biblical text which reflects a graduate study in Bible and Theology.

___/10 points 2. The candidate is able to set the scripture passage in its historical and biblical setting.

B. Life Application

___/10 points 1. The candidate draws analogies to the present for life application.

___/15 points 2. The candidate helps the participants apply the biblical text to their journey of faith as individuals and as members of the community of faith.

> *II.* Presentation *This section of the evaluation is worth 40 points. Teaching style, creativity and the presenter's ability to engage the students in the learning process will be evaluated.*

A. Teaching Plan

___/20 points The lesson plan includes a variety of teaching techniques in order to bring the text to life in ways that reflect the differences in how people learn (Auditory – hearing information' Visual – seeing the information; Kinesthetic – touching; Participation.)

B. Teacher/Student Interaction

___/20 points The study shows a good balance of presentation by teacher and reflection by the students. The study holds the participants' interest and allows them to reflect on the material. There is good student/teacher rapport. The teacher is able to engage   reticent learners and handle those who seek to dominate the conversation.

III Materials *Each candidate is required to include the following materials with his/her submission. Failure to include these items will result in the study being returned to the candidate for re-submission.*

A. Lesson Plan

___/5 points A lesson plan that includes: the learning goals for the session, the information to be covered in each section, the teaching technique for each section and the approximate time for each activity.

B. Video

___/3 points A video of the actual session. The sound and picture quality must be of high enough quality that the session may be adequately evaluated.

C. Bible Study Inventory

___/2 points The required items on the Bible inventory have been supplied by the candidate.
