a sisterhood of grace

As a community of women organized for mission it is important that we be the creative, supportive fellowship espoused in our PURPOSE. In that spirit, the Leadership Development Days planning team offers these guidelines, often referred to as “ground rules,” to provide us a framework to ensure open, respectful dialogue and maximum participation as we share, pray, learn and listen together this weekend.

- Listen actively— with head and heart.
- Speak from your own experience.
- Participate to your level of comfort.
- Be aware of body language.
- Respect confidentiality.
- Expect unfinished business – both discomfort and joy.
- Be mindful of our interrelatedness with one another and all of God’s creation— celebrate diversity and practice sustainability.
