

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit

[www.wespath.org](http://www.wespath.org) (click on HealthFlex/WebMD, log in and click on HealthFlex Plan Benefits) or call 1-800-851-2201. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at [www.cciio.cms.gov](http://www.cciio.cms.gov) or call 1-800-851-2201 to request a copy. If this summary and the complete terms of coverage conflict, the complete terms of coverage will control.

The plan sponsor provides a health savings account (HSA) that you can use to pay for eligible unreimbursed expenses, e.g., your deductible, co-payments and coinsurance described below. This year your HSA will be funded with \$500 for an individual or \$1,000 for an individual with at least one covered dependent. If you do not use your entire HSA during a calendar year, the remaining amount will roll over to the following year, with no cap on accumulated funds.

Medical coverage is provided by UnitedHealthcare (1-800-901-1939); prescription coverage is provided by OptumRx (1-855-239-8471); and behavioral health benefits are provided by United Behavioral Health (UBH) (1-800-788-5614).

Important Questions	Answers	Why This Matters:
<p><b>What is the overall <a href="#">deductible</a>?</b></p>	<p><b>If took HealthQuotient:</b>                      For participating provider:                      \$2,000 Individual/\$4,000 Family                      For non-participating provider:                      \$3,000 Individual/\$6,000 Family</p> <p><b>If did not take HealthQuotient:</b>                      For participating provider:                      \$2,250 Individual/\$4,500 Family                      For non-participating provider:                      \$3,250 Individual/\$6,500 Family</p>	<p>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay.</p> <p>If you have other family members on the plan, the overall family deductible must be met before the plan begins to pay.</p>
<p><b>Are there services covered before you meet your <a href="#">deductible</a>?</b></p>	<p>Yes, preventive care</p>	<p>This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a>. See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>.</p>
<p><b>Are there other <a href="#">deductibles</a> for specific services?</b></p>	<p>Yes. \$50 Individual/\$150 Family for dental benefits, if elected.</p>	<p>You must pay all of the costs for these services up to the specific <a href="#">deductible</a> amount before this plan begins to pay for these services.</p>

<p><b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b></p>	<p><b>For participating provider:</b> \$6,500 Individual/\$13,000 Family</p> <p><b>For non-participating provider:</b> \$13,000 Individual/\$26,000 Family</p>	<p>The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a>, the overall family <a href="#">out-of-pocket limit</a> must be met.</p>
<p><b>What is not included in the <a href="#">out-of-pocket limit</a>?</b></p>	<p><a href="#">Copayments</a> for certain services, <a href="#">premiums</a>, <a href="#">balance-billing</a> charges, vision expenses, dental expenses, and health care this <a href="#">plan</a> doesn't cover.</p>	<p>Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a>.</p>
<p><b>Will you pay less if you use a <a href="#">network provider</a>?</b></p>	<p>Yes. See <a href="http://www.uhc.com">www.uhc.com</a> or call 1-800-901-1939 for a list of <a href="#">network providers</a>.</p>	<p>This plan uses a <a href="#">provider network</a>. You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a>. You will pay the most if you use an <a href="#">out-of-network provider</a>, and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your plan pays (<a href="#">balance billing</a>).</p> <p>Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.</p>
<p><b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b></p>	<p>No.</p>	<p>You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a>.</p>

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
