

Paycheck Protection Program

The Coronavirus Aid, Relief and Economic Security (CARES ACT) allocated \$350 billion to help small businesses/churches keep workers employed amid the pandemic and economic downturn. Known as the Paycheck Protection Program, the initiative provides 100% federally guaranteed loans to small businesses/churches. These loans may be forgiven if borrowers maintain their payrolls during the crisis or restore their payrolls afterwards. LBMC and UMC have teamed up to create an easy to follow guide on what you need to know to take advantage of this opportunity.

Highlights of PPP

- The PPP is first-come, first-served. Important to note, time is of the essence to take advantage of this opportunity.
- No more than 25% of the loan forgiveness amount may be used for non-payroll costs. The SBA is supposed to issue additional guidance on loan forgiveness.
- At least 75% of the PPP loan proceeds SHALL be used for payroll costs (including any EIDL loan that is refinanced). This is a new requirement and is important for businesses who need the money to pay interest on mortgage, rent, and utilities. If the funds are used for unauthorized purposes, the SBA will direct the borrower to repay those amounts.
- Maximum loan amount is 2.5 times average monthly payroll costs.
- The number of employees must be no more than 500 and payroll costs are limited to employees who have their principal place of residence in the United States.
- Use for employee salaries, cost related to compilation of group health benefits, paid sick medical family leave insurance premiums
- Payroll Costs DO NOT include mortgage payments or utilities.
- All forms will have to go through a lender.
- All forms have to be filled out on-line (Adobe PDF form – and id certification)
- Your bank may have additional forms they need you to fill out.

What You Need

1. 941's for 2019
2. State Unemployment Tax Returns for 2019, showing each individual's compensation, if applicable
3. Detailed payroll reports for 2019, showing names, social security numbers, compensation and FICA/MC and FIT withholdings (also provide details in Excel to limit individual compensation to \$100,000 per recipient)
4. Detailed subcontractor payments to individuals for services only (by recipient) for 2019, showing names, social security numbers/EINs, and gross payments
5. Details of healthcare benefits paid by company (health, dental, vision) from 2019 including most recent invoice
6. Detailed listing of employer's retirement plan payments for 2019
7. Fill out and sign (manually) the 4506-T

Please note that your bank is the entity that is making the decision on how much the "payroll costs" are and how they will compute it. These are only LBMC's suggested items which we feel they will ask for. Please contact your banker to determine what is needed.

LBMC is working with US Bank and will coordinate for you. Please note that this doesn't guarantee that your loan will be approved.

CORONAVIRUS EMERGENCY ANS

Small Business Guide and Checklist

The Coronavirus Aid, Relief, and Economic Security (CARES) Act allocated \$350 billion to help small businesses keep workers employed amid the pandemic and economic downturn. Known as the Paycheck Protection Program, the initiative provides 100% federally guaranteed loans to small businesses.

Importantly, these loans may be forgiven if borrowers maintain their payrolls during the crisis or restore their payrolls afterward.

The administration soon will release more details including the list of lenders offering loans under the program. In the meantime, the U.S. Chamber of Commerce has issued this guide to help small businesses and self-employed individuals prepare to file for a loan.

Here are the questions you may be asking—and what you need to know.

1

Am I ELIGIBLE?

You are eligible if you are:

- A small business with fewer than 500 employees
- A small business that otherwise meets the SBA's size standard
- A 501(c)(3) with fewer than 500 employees
- An individual who operates as a sole proprietor
- An individual who operates as an independent contractor
- An individual who is self-employed who regularly carries on any trade or business
- A Tribal business concern that meets the SBA size standard
- A 501(c)(19) Veterans Organization that meets the SBA size standard

In addition, some special rules may make you eligible:

- If you are in the accommodation and food services sector (NAICS 72), the 500-employee rule is applied on a per physical location basis
- If you are operating as a franchise or receive financial assistance from an approved Small Business Investment Company the normal affiliation rules do not apply

REMEMBER: The 500-employee threshold includes all employees: full-time, part-time, and any other status.

What will lenders be LOOKING FOR?

In evaluating eligibility, lenders are directed to consider whether the borrower was in operation before February 15, 2020 and had employees for whom they paid salaries and payroll taxes or paid independent contractors.

Lenders will also ask you for a good faith certification that:

1. The uncertainty of current economic conditions makes the loan request necessary to support ongoing operations
2. The borrower will use the loan proceeds to retain workers and maintain payroll or make mortgage, lease, and utility payments
3. Borrower does not have an application pending for a loan duplicative of the purpose and amounts applied for here
4. From Feb. 15, 2020 to Dec. 31, 2020, the borrower has not received a loan duplicative of the purpose and amounts applied for here (Note: There is an opportunity to fold emergency loans made between Jan. 31, 2020 and the date this loan program becomes available into a new loan)

If you are an independent contractor, sole proprietor, or self-employed individual, lenders will also be looking for certain documents (final requirements will be announced by the government) such as payroll tax filings, Forms 1099-MISC, and income and expenses from the sole proprietorship.

What lenders will NOT LOOK FOR

- That the borrower sought and was unable to obtain credit elsewhere.
- A personal guarantee is not required for the loan.
- No collateral is required for the loan.

3

How much can I BORROW?

Loans can be up to 2.5 x the borrower's average monthly payroll costs, not to exceed **\$10 million**.
