PROBLEM GAMBLING CERTIFICATION PROGRAM

For Clergy and Lay Ministers

This Clergy/Lay Ministers Certification is designed to provide basic knowledge about gambling addiction, problem gambling, treatment and recovery resources to enhance the clergypersons' and layministers' skills at recognizing compulsive gambling; and, to provide information for the gambler's family on dealing with their loved one's addiction. This specialized 24-Hour Training for Clergy and Lay Ministers leads to IGCCB Certification (Non-Clinical). The Clergy/Lay Minister Certification prepares those working and serving in faith/spiritual settings to provide for persons seeking help for problem gambling (directly and/or indirectly affected), initial intervention through education, referral assistance, support group referral and enhancement, and spiritual support (specific to gamblers and their loved ones).

**On Fridays, participants must park on the loop area beyond the parking lot near the vacant stone building.

To register, email John Nupp at jnupp@bwcumc.org

For more information, contact Dr. Deborah Haskins at 443-691-2536 or Jeffrey M. Beck at 667-214-2128
