

BWC REVERSING THE RE-ENTRY DECISION TREE

1. Has our state or local government called for going back to a previous level of restriction in terms of working from home, travel or size of groups allowed to gather?

If no, continue gathering as you are.

2. Does our current gathering size exceed the number given by the state, district or county government for number of people?

If no, continue gathering as you are.

3. Looking at the data, your re-entry plan and its intent, does your Re-Entry Task Force believe it wise to stop gathering in person?

If no, continue gathering as you are.

**Stop Gathering for In Person Worship. Serve the Community Safely.
Follow Re-Entry Task Force Recommendations for When it is Safe to Re-Enter.**

Visit bwcumc.org/re-entry for extensive guidelines, tip sheets and resources.
